

JIRA - Bug # 318: Error message on creation of new JIRA issue

Status:	Resolved	Priority:	Low
Author:	Adam Stiskala	Category:	
Created:	03 Nov 2013	Assignee:	
Updated:	12 Nov 2013	Due date:	
Subject:	Error message on creation of new JIRA issue		
Description:	When "Create a new JIRA issue" is clicked from within Kayako and the "Export to JIRA" screen is shown, the following error message is shown in a notice at the top of the form: Notice Trying to get property of non-object (./__apps/jira/staff/class.View_Bug.php:183) ===== ===== If the form is filled in and submitted the JIRA is still created correctly.

- Status changed from New to Resolved

Hi Adam,

We have resolved these issues in new build JIRA 2.0.

You are requested to update the build, to resolve the issue.

Thank you,

Amarjeet Kaur
