Updated:	27 Feb 2014	**Due date:**	

Subject:	Ticket Sorting issue in WHMCS client area
Description:	Ticket sort order is not preserved when we move to 'Next' page at client's area in WHMCS. Steps to Replicate: 1) Sort the ticket view via 'Last Update' from oldest to newest. 2) Click 'Next' to move to the next page and the sorting changes to newest to oldest again.
