

WHMCS Integration - Bug # 6: Closed ticket statuses show up in wrong locations

Status:	Closed	Priority:	Normal
Author:	Steven Craig	Category:	
Created:	26 Sep 2011	Assignee:	Steven Craig
Updated:	28 Nov 2011	Due date:	28 Nov 2011
Subject:	Closed ticket statuses show up in wrong locations		
Description:	Closed ticket statuses show up in wrong locations, including client home page, account stats and ticket list page. Should only list open tickets from the open tickets status page for open ticket count. Closed tickets from closed ticket variable should only be shown on ticket list page, not counted as open tickets.
